

WDBS DARTMOUTH BROADCASTING SYSTEM

49 ROBINSON HALL · HANOVER · NEW HAMPSHIRE · TELEPHONE 30

October 25th [1949]

Dear Howie,

Sorry we got so delayed with this thing, but McLaughry couldn't make it until yesterday noon and we had to spend the afternoon editing the tape.

There are a couple of places where we had some trouble with the band music at the beginning, but I think it will go unnoticed for the most part.

Below is the schedule of cues. Each is the last line on the record:

SIDE NO. I--Hollands: "I wonder if you'd go over that defensive line-up for us, coach."

Time
4:18

" " II--Hollands: "Who are you talking to there when you have those headphones on the bench?"

8:46

" " III--McLaughry: "Of course, the rules can always be changed accordingly."

12:48

The entire show, from the first band music to the end of the final cheering is 14:55. Dick Hollands' closing announcement (e.g. "The Ivy Network in Hanover.") ends at 14:15, so the record can be cut anytime after that if necessary.

check these times. May be a few seconds off.

Your show arrived today, and sounds great. It might be a good idea to keep this beginning in mind. Possibly we can do it with other sports, too. Thanks a lot to all of you down there who helped with the show. Let me know whether or not the response was good.

Cordially,

William M. Brooks
